Product Specification

Item	Specification
Type form	SBP009Z
Applicable model	VF-S15
Applicable option	Please refer to VF-S15 instruction manual (E6581611).
Operation Environment	In accordance with VF-S15
Protection(IP code)	IP20 with communication option mounted and option adapter mounted to inverter

Warranty

Any part of the option adapter that is proved to be defective will be exchanged under the following conditions:

1. This warranty applies only to the option adapter unit.
2. Any part of the option adapter which fails or is damaged under normal use within 1 year from the date of delivery will be exchanged free of charge.
3. For the following kinds of failure or damage, the exchange cost shall be borne by the customer even within the warranty period.
  - i) Failure or damage caused by improper or incorrect use or handling, or unauthorized repair or modification of the option.
  - ii) Failure or damage caused by falling or an accident during transportation after the purchase.
  - iii) Failure or damage caused by fire, salty water or wind, corrosive gas, earthquake, storm or flood, lightning, abnormal voltage supply, or other natural disasters.
  - iv) Failure or damage caused by the use of the option adapter for any purpose or application other than the intended one.
4. All expenses incurred by Toshiba for on-site services shall be charged to the customer, unless a service contract is signed beforehand between the customer and Toshiba, in which case the service contract has priority over this warranty.
